PRESIDENTS

CORNER

Barb Ryon

Welcome back to an exciting year as we launch our programs for 2014-15 with the Tech Trek Brunch. This always proves to be an inspiring gathering where we meet the 9 girls sent to Tech Trek over the summer. Jo turner and Carole Nagengast visited a camp and were very impressed. If you have never attended one of these brunches I strongly encourage you to join us on September 13th.

On August 9th Board members Jo turner, Taffy Geith, Luisa Tassan, Ruthann Micoch and I attended the SEIBC workshop at Pomona College. Kathleen Doty, AAUW CA President, opened the meeting by sharing her view on leadership. Her message was that all members of AAUW are LEADERS as we are passionate, inspirational and able to see the big picture, but we also pay attention to details. An interesting question was raised and discussion followed about membership being open to men and the name of our organization. The bylaws changed in 1985 to open the membership.

Barbara Purvis, Program VP put in a great deal of time securing speakers and meeting places for us. We appreciate all that you do and thank you. Several of our meeting will be at Altura Credit Union this year. I also need to thank Jo Turner for her efforts on Programs and for again getting the Directory and Handbook out to everyone. You ladies are both wonderful.

PRIVACY

To preserve the privacy of our members, the hostesses of events will have only their first names and first initial of their last name listed in the Pipeline. You can always look in the Directory to find their address and phone number if you wish to call them to answer questions or get directions to their house.

BOOK PROJECT

Our book project was very successful this year and we are ready to distribute 79 books to Alessandro School in Moreno Valley. The school is a K-12 school for Special Education students so our books range from Kindergarten to Grade 12.

We collected \$422.10 which we used to buy the books. 80% of the books were slightly used books and the other 20% are new books. The new books cost more and most of the slightly used books were for the older children and they, too, cost more. More in next month's Pipeline after we have delivered them.
