President

What a marvelous gathering we had last month at our annual Tech Trek luncheon. It is always inspiring to listen to the girls relate their experiences and tell how their lives have been forever changed by this opportunity. We feel so proud to be able to expand our outreach and include two girls from Palm Middle School, Moreno Valley in the camping program for 2014.

Among the guests was Riverside City Councilman, Andy Melendrez, who presented each girl with a citation from the City.

Jo Turner made her plea for membership at this meeting and we currently have six new members to welcome to our Riverside Branch. Several of these members are parents of the girls who attended camp this past summer. We were honored to have Dr. Judy White, Superintendent of Moreno Valley Unified School District, and Dr. Martinrex Kedziora, Assistant Superintendent of Moreno Valley Unified also join our Riverside Branch.

Several months ago President of the Redlands Branch, Kay Dobbartin was able to attend two of our meetings and we felt this was a wonderful opportunity to become better acquainted and share some of the wonderful programs that are happening. She became a dual member of our branch. I, and several other Board Members, would like to attend meetings of other branches. We look forward to having this added AAUW experience.

OUT & ABOUT

Come join us at Jo's as we gather at **10:00 AM on Thursday, October 10th** to carpool our way to **Oak Glen** to see all the apple places and the Fall colors. We will stop for a no-host lunch along the way and then progress to the **Edward Dean Museum**. After viewing the museum, we will return home by way of the 10 Freeway.

Please call Jo if you plan to go so she can make the car pool arrangements.

NEW MEMBERS

After our very successful Tech Trek meeting we were able to welcome six (count 'em six) new members. **PLEASE** cut these out and paste them or copy them into your Directory. And please make every effort to get acquainted with our new members.

Book Donation

To AAUW members:

Thanks for your generous donation of books for the first grade students at Bear Valley Elementary in Moreno Valley School District. Over 350 books were given to the school in August at a value of over \$1500.

It is because of the willing spirits such as yours, that the 2013 book donation was successful. Thanks!!!

Carlease Chandler, Chairperson

A Successful Tech Trek Brunch

What a fabulous program we had for Tech Trek! We had 5 of our 7 campers at the brunch who shared their exciting and touching stories about their time at UCSD. Listening to our girls always reassures me that we are making a difference in their lives by offering this particular opportunity. And, we now will be sending girls from Moreno Valley Unified School district as well! Dr. White, Superintendent, and Dr. Kedziora, Assistant Superintendent, were guests at our brunch. Both expressed their excitement about having their district participate in the program this coming year. We also had Councilman Andy Melendrez as a guest. He presented each of the girls with a beautiful certificate from the City of Riverside - signed by the mayor too!

I am pleased to announce that we raised a little over \$1000 at the brunch, with some of the donations specifically targeted for our new Moreno Valley addition! As always, if you know of an organization or business that might be willing to make a contribution, please let me know. I am willing to bring girls and talk with anyone.

Thank you all for your support! A special thanks to all of my committee members and my co-chair, Christine, for all of your efforts. Our program has grown so much, that it takes a committee to make it all as successful as it is.

Left to Right - Lisa Newhall, Desiree Wyles, Michelle Boulos, Alexa Wilbert, Savannah Esqueda, Jestina Kassim, and Councilman Andy Melendrez
